

Made in Saudi Membership Confirmation

Dear/_Khair Inorganic Chemical Industries Co. (InoChem)

We welcome you as a member of the “Made in Saudi” program. We are pleased to have you join the program and contribute in achieving its goals that are aimed to make the national goods and services the preferred choice locally and internationally, which contributes in making the Kingdom a leading industrial power in accordance with the goals of Saudi Vision 2030.

This letter serves as confirmation that your esteemed company and the registered and approved products meet the standards required to join the Made in Saudi program, provided that all members fully comply with the rules of the program throughout the membership validity period, and as of the date of this letter. Your company has the right to use the “Saudi Made” logo on registered and certified products, and benefit from this membership.

Accordingly, we hope that you inform and familiarize all employees concerned with the application of the Saudi Made logo, with the rules of the program and the instructions of its use on the company’s products and promotional materials.
